MISPLACED PRIORITIES
HAGGAI 1:1-15

Intro: The Rourke Bridge

1. The Reality of Resignation

2. A Challenge to Consider

3. The Blessing of Obedience

Big Idea:

When God's people hear God's voice and obey, God empowers their obedience!

Reflection Questions:

1. *Take a few moments to consider what your calendar and your bank statement might suggest about your priorities. Ask God to show you any area in which your priorities aren't aligned with His.*
2. *If there is any way in which you sense God pointing out a difference between your priorities and His, take some time to ask WHY your priorities might be different? Is there any area in which you've felt disappointed by God or by the Church and allowed other things to get in the way to cover that disappointment? Or are there other reasons behind any misalignment of priorities? Ask God to help you see clearly.*
3. *What might it look like for you to "build the temple"- to take steps to actively align your priorities with God's?*
4. *As we saw today, when God's people obey, God empowers their obedience. Spend some time praying for God's help, confessing your dependence on Him and your desire to please Him. See if you can sense Him saying anything back, reassuring you of His love and His presence.*
