A PROMISED FUTURE  
HAGGAI 2:1-9

Intro: Magic Eye

1. What We See

2. What God Sees

3. A Promise and a Command for the In-Between

**Big Idea:**

Faith is acting on what God sees, even when it is different than what we see.

**Reflection Questions:**

1. *Where, in your life, does there seem to be a gap between what we see and what God promises? Where in your life might you feel a sense of despair at your current situation? Tell God about it.*
2. *Ask God what His promises are for you in this situation. See if He brings to mind a Bible verse, or the phrase of a song, or whispers something to your heart while you listen.*
3. *Ask God if there's any way in which you can take a step to act on His promise in that situation. What might it look like for you to act on God's promise, even when you can't see it happening yet?*
4. *Who can you talk to about this? Tell someone today and then ask them to pray for you about this situation that you will believe and act on God's promise, even when you can't see.*
