STEADFAST IN CHRIST

MAY 22, 2022  
STEADFAST IN THE GOSPEL  
COLOSSIANS 1:24-2:5

## Big Idea:

The authentic gospel leads to becoming more like Christ ourselves and helping others do the same.

1. The Authentic Gospel leads us to become like Christ
  
2. The Authentic Gospel leads us to want to help others become like Christ.
  
3. Today's False and Half Gospels
  - a. The False Gospel of Hate
  - b. The False Gospel of Prosperity
  - c. The False Gospel of Comfort
  - d. The False Gospel of Empire
  - e. The Half-Gospel of Personal Salvation
  - f. The Half-Gospel of Social Liberation

## Reflection Questions:

1. *What are the results in my life of the Gospel we have believed? In our church community? In my own personal life? Are we becoming more like Jesus? Are we working hard to help other people become more like Christ?*
2. *Are we particularly vulnerable to believe any of today's false or half gospels? How can we tell those are not the true gospel?*
