THE STRATEGY PT 1: WORSHIP
PSALM 95

Intro:

1. Worship reminds us who God is.
2. Worship reminds us who we are.
3. Worship provokes a response about how we will live.

Reflection Questions:

1. *What part of God's character do you want to celebrate today? What has God done in your life you can praise Him for?*
2. *How does worship remind you who you are? Are there some helpful images about who you are that you remember when you worship?*
3. *Psalm 95 challenges the people of Israel to not just praise God at the temple on the weekend, but to act out their position as God's people by the way they live all week long. What is the Holy Spirit saying to you about the connection between what you say or sing in worship and how you live the rest of the week?*
