THE SPIRIT UNIFIES THE CHURCH
EPHESIANS 4:1-6

Intro

Big Idea: The unity of the Church is accomplished by the Holy Spirit.

1. The **FACT** of our unity in the Spirit
2. The divine **EMPOWEMENT** of unity by the Spirit
3. Our role in the unity of the Spirit

Reflection Questions:

1. *What impacts you about the idea that the unity of the Church is an already accomplished reality?*
2. *When you consider the Holy Spirit's accomplishing of our unity, does this provide relief or resistance in your heart? Or a little of both? Reflect on what brings relief, what brings resistance?*
3. *Spend some time asking the Holy Spirit to cultivate both a desire for unity and the character that leads to maintaining unity.*
4. *Consider if there's anywhere in your life that God might be asking you to be a peacemaker. To admit the absence of peace, to confess your culpability, to risk pain or misunderstanding to pursue peace, to fight for peace.*
