THE DEPENDENT SERVANT  
ISAIAH 50:4-9

1. The Servant's Example
2. The Prophet's Challenge For Israel & Us
3. What Will We Choose?

**Big Idea:** Advent invites us to consider whether we will be God-dependent or self-sufficient.

**Reflection Questions:**

1. *Is your life right now exhibiting signs of God-dependence or signs of self-sufficiency?*
2. *How can you make time this week to listen to God?*
3. *When you consider areas in your life where you have trouble obeying God- is there anything God might be inviting you to tell Him about what you're struggling to trust Him with?*
4. *The Prophet Isaiah puts a stark choice to the people of Israel: God-dependence or self-sufficiency. What will you choose today? How can you draw a line in the sand to make this choice stick?*
