

# colossians

STEADFAST IN CHRIST

MAY 15, 2022  
CHRIST IN THE CENTER  
COLOSSIANS 1:15-23

## Introduction

1. Christ in Creation (vv. 15-17)
2. Christ in Redemption (vv. 18-20)
3. Christ in Us (vv. 21-23)

## Reflection Questions:

1. *How am I encouraged at the reality of the supremacy of Christ? How does it encourage me to remember the full picture of Jesus at work in Creation and in Redemption?*
2. *How am I challenged about Christ as the center of my life? Is He really the foundation of my life? Am I really staying put and clinging to Him? Or am I really seeking after other things as more important than Him?*
3. *How can my transformed life be a picture of the new thing God is doing in all creation? How can I maintain clarity on my role as part of God's redemptive mission?*
