

colossians

STEADFAST IN CHRIST

JUNE 12, 2022
PUT ON YOUR NEW CLOTHES
COLOSSIANS 3:5-17

Big Idea:

In our baptism, we are invited into transformed lives.

1. In our baptism, we're invited into transformed lives as we take off our old clothes of sin and death.
2. In our baptism, we're invited into transformed lives as we put on the new clothes of resurrected life.

Reflection Questions:

1. *As you consider verses 5-9, are there sins of desire or sins of division that you sense God is asking you to rid yourself of?*
2. *As you reflect on the "new clothes" we are to put on in God's family, are there any 'items of clothing' you've had trouble putting on? (vv. 12-17)*
3. *As you consider the importance of communal transformation (as opposed to only individual transformation), how are you praying for the family of God at Harbor of Hope? How might God be asking you to encourage, show compassion, or teach His word to help us grow more into the image of God as a community?*
