

## colossians

STEADFAST IN CHRIST

JULY 3, 2022  
STEADFAST COMMUNITY IN CHRIST  
COLOSSIANS 4:7-18

### Big Idea:

These verses tell us that a steadfast commitment to Christ leads to a steadfast community in Christ.

1. The new community in Christ works as a team.
2. The new community in Christ is committed to a shared mission that has been given to them by their King.

**Love God. Love People. Make Disciples.**

3. In the transformed community, diverse individuals come together to act as a united family.

### Reflection Questions:

1. *Do you really believe that you need others and that others need you in the Body of Christ? Do you believe that you are a vital part of the "team?"*
2. *How do the Great Commandment (Love God and love people) and the Great Commission (go and make disciples) impact the way you order your life? Do those things sit at the center of your reason for existence? If not, what else sits in the center of your life? Ask God to help you put HIS mission for you first.*
3. *Have you struggled to believe that the church really can be a place where diverse people can be a family? What distinct ways of understanding God and our life in Him do you bring, based on your church background, ethnicity, gender, education, socio-economic position, etc?*
4. *Is there anyone in the community here at Harbor that you need to be reconciled to? Go and do it today!*
