THE FOCUS: REACHING THE ONE
LUKE 15

Intro:

Big Idea:

Our focus as we participate in God's mission of shalom is on reaching The One.

1. The Lost

2. The Seeker

3. The "Never Lost"

Reflection Questions:

1. *How does seeing yourself in the role of the "never lost" change how you read these parables?*
2. *Who is "The One" God has put on your heart? A particular person? A group of people? Is there a particular situation that God has been putting on your heart to do something about?*
3. *What would it look like for Harbor of Hope and for you as an individual to focus on reaching "your One"? What would you do differently either at Harbor or in your own life to be more effective at reaching your "One"? How might you work to fight against the natural tendency to focus on the comfort and experience of the 99?*
