The Magic of Christmas

Harbor is partnering with The Wish Project in November and December. Join us in the Harbor parking lot, with your mask, on **Saturday, November 21st from 10 am to 12 pm** and pick out a family to bless. You have the opportunity to bring joy to a family in need this Christmas by buying gifts for individuals who would otherwise not have any Christmas morning.

Gifts will be collected on **Saturday, December 5th and 12th from 10 am to 12 pm** in the Harbor parking lot to be delivered to The Wish Project.

Thank you for your generosity!

As always, please reach out to outreach@harborofhope.org with any questions!
